FROM RABBI BROWN & RABBI GLICKMAN

Dear Friends:

The strong collaboration of our Senior Staff team is an aspect of our synagogue's culture of which we are extraordinarily proud. We love taking turns on successive Fridays (with Cantor Becker) in getting to share Shabbat with our littlest friends in Mazel Tots. Cantor Becker and Rabbi Brown are active presences in supporting Rabbi Glickman's work in our Religious School. Rabbi Brown, Cantor Becker, Rabbi Glickman, Executive

Director Roberta Aronovitch, and Mazel Tots Director Jody Glassman start each week off together by strategically orchestrating the logistics of the week's calendar. Even as we lift up those areas where our collaboration is already strong, we are always on the lookout for new opportunities to study and work together.

It is in that spirit that we are writing to you this month to let you know about an important new initiative that the two of us have been invited to work on together.

The Jewish Education Project (JEP) is metro New York's central address for all things Jewish Education-related. It is the organizational gathering place for professionals and lay leaders of all denominational stripes to come together to explore innovative best practices in meaningfully fostering Jewish learning and identity development amongst students (of all ages!).

Earlier this year, JEP announced the formation of its inaugural **Leadership Initiative Pilot**, a fully funded professional development initiative for pairs of congregational educators and rabbis to spend a year studying and reflecting together about the dynamic relationship between Religious School transformation and transformation within our synagogue as a whole. We are delighted to let you know that Scarsdale Synagogue's application was accepted, and that our shared work on this important new project has begun.

Highlights of our year ahead will include:

- A series of in person and web-based learning opportunities with leading scholars and practitioners when it comes to transformative change processes in Religious Schools and Synagogues
- An opportunity for us to network with gifted colleagues from around the region who are grappling with the same questions we are. To that end, there will be mentored reflection spaces for Rabbi Glickman and her fellow congregational educators; and similar space for Rabbi Brown with his colleagues
- The chance for us to work together with an executive leadership coach so that the two of us can strengthen our (already strong) working relationship and construct a vision for the future of our Religious School that will complement the vision for the future of our synagogue
- The opportunity to implement that vision in the course of our future work in the coming months and years, in partnership with our lay leadership and staff colleagues

We are filled with gratitude: for the generous donors to JEP who are making this learning experience possible for us; for the JEP faculty with whom we will be privileged to learn; but most of all, to each and every one of you, for being fully invested in the ongoing strengthening of our entire synagogue. We will keep you posted in the coming months regarding the highlights that come out of this new endeavor. In the meantime, don't hesitate to let us know if you have any questions about this project, or any thoughts about how you'd like to become more involved in serving and supporting our Religious School and congregation.

Fondly,

Jeff and Ilyse

BROTHERHOOD

Congregational Meeting & Annual BBQ

SUNDAY, JUNE 11, 11:00 A.M. followed by the BBQ.

Brotherhood is proud to sponsor the annual end of year BBQ. It will immediately follow the Annual Congregational meeting.

This year we are looking to shake things up a little and make the BBQ even more exciting than usual. How is that even possible you ask? This year we will be serving ice cold beer to accompany the delicious hot dogs, hamburgers and chicken that is always served. There will also be kadima and badminton for the athletically inclined.

Also, this year Rabbi Brown has kindly agreed to give a special talk prior to the Congregational Meeting. The topic will be announced shortly and a light breakfast will be served. The tentative start time is 10:00 a.m.

Last but not least, we need volunteers to help at the grill. For those who can, please email us at brotherhood@sstte.org. We are also open to other suggestions to help make the BBQ a fun event for the entire congregation.

DIRECTOR OF EARLY CHILDHOOD

MAZEL TOTS

The children at Mazel Tots are looking forward to so many fun things in May! Spring has finally arrived and we are enjoying all the changes spring brings to our new playground! The garden is blooming, the trees are flowering and the birds are singing!

We are also getting busy planning our Parent & Teacher Appreciation day. Each class has their own celebration, where they make gifts as well as prepare a lovely brunch for their Moms & Dads. We'll also have a Teacher Appreciation Shabbat and have the chance to thank our truly fabulous teachers. **May 26th is our Moving Up Ceremony for our 4's.** This special morning is spent celebrating the children's tremendous growth & accomplishments and wishing them all the best as they embark on their next year's adventure. While we will miss this special group of students, we know they are well prepared and ready to conquer the world!

We still have some spaces available for our **June Mini-Camp program.** Mini-Camp will be in session from May 30th through June 21st. It's a camp-like program that bridges the time between the end of Nursery School and the start of most summer camp programs. Temple membership or prior experience in our school is not required. If you are interested in learning more about this program please call our office at 914-723-3001, or email us at mazeltots@sstte.org.

Just a reminder, if you have not yet seen our school and are interested in enrolling next year, there are limited spaces available so please call to arrange an appointment.

Our tuition for the 2017-18 school year is as follows:

3-day 2's-	\$6,150
5-day 2's, 3's or 4's-	\$8,675

Once again, we will be offering our summer camp program, **Summer Stars!** The camp will run from June 26th through August 11th. The program will serve Toddlers through those entering Kindergarten. We'll feature Sports, Cooking, Music, Arts & Crafts, Water Play, Karate, Yoga, Soccer, Story-telling and more! Toddlers will meet Monday through Wednesday 9:00 - 11:15 a.m., and our 2's, 3's, 4's and 5's will meet Monday through Friday from 9:00 a.m. - 12:00 p.m. Our 3's, 4's, & 5's also have the option of extending their day from 9:00 a.m. - 2:00 p.m.

If you have any questions about Mazel Tots, Mini Camp or Summer Stars- feel free to contact me. I love talking about our Early Childhood Programs!

I look forward to talking with you!
Jody Glassman, Director

DIRECTOR OF CONGREGATIONAL LEARNING

Dear friends,

It is hard to believe that May is already upon us and that means we are winding down our Religious School year. And what a year it has been! Our students, ranging from Pre-K-Grade 12 explored holidays, engaged in Hebrew, were introduced to Torah trope, travelled through the *midbar* (wilderness) alongside the ancient Israelites, saw themselves in the narrative of foreparents in the Book of *Bereshit* (Genesis), explored the Jewish Life Cycle, wrestled with Jewish ethics, dove deep into Mussar with our monthly Sunday morning exploration of Middot, delved into the Shoah (Holocaust) and how that history can speak to us today, "travelled" through Israel city by city, cooked in our kitchen, entered into meaningful relationships with seniors at Hebrew Home at Riverdale, journeyed through the current Jewish experience around the world, learned from a Shoah survivor, engaged in family education experiences, worshipped as a community...and SO much more!

**You won't want to miss our end of year celebration
On SUNDAY, MAY 21!**

We'll begin Religious School as we always do at 9:00 a.m. and then we'll ALL segue into our K-6 school-wide zimriyah (sing along) and end of year presentations. Then, we'll all head to the back patio and grassy area for a festive brunch, lawn games (run by our fantastic teens)...and AN ICE CREAM TRUCK!!!

With overflowing gratitude to our faculty, madrichim, students, and parents for your support and enthusiasm each and every day.

Together we grow.

CARE2CONNECT

Our Care2Connect committee has one main goal – to reach out and support fellow congregants throughout various lifecycle events. Members of our committee are here for you, in good times and in hard times, offering support and a helping hand when needed. Throughout the years, we have provided words of congratulations for births, marriages and bar/bat mitzvahs, words of sympathy when those among us have lost loved ones, and words of support when others are not doing so well.

New volunteers are always welcome! There are no meetings to attend or events to schedule on your calendar. Just let us know what you are interested in doing, how often you are available and the best way to reach you. There is no requirement for what you would need to do, we are happy to work within your comfort level to help you get involved. Then, when a need arises that you are comfortable with, our committee will be in touch. Whether you can help out once a month or once a year, it all adds up to a more supportive and caring temple community! Tikkun Olam Together.

Other services our networks of member volunteers provide include:

- Providing/Delivering Meals to homebound members or families during a health crisis;
- Checking in via telephone with the ill, elderly and/or homebound;
- Visiting an ill or homebound member;
- Transportation to a doctor's appointment for an ill or non-driving member;
- Hosting a single or widowed member for a holiday meal;
- Transportation to services (when available) for an elderly or non-driving member.

If you know...of a Synagogue member who is ill or in the hospital, call the office and let us know. This way the Rabbi and Cantor can visit and Care2Connect can provide timely support. Don't assume that we know---**we will only know if you tell us!**

For more information, to volunteer or to let us know of a Congregant who could use our support, please contact Rabbi Brown, Cantor Becker or the Temple Office.
